

U.S. Department
of Transportation

Federal Highway
Administration

Memorandum

Subject: **ACTION**: Close Out of Transportation
Pooled Fund (TPF) Project TPF-5(364),
“Utilization of Laser-Induced
Breakdown Spectroscopy (LIBS) for
Real-Time Testing and Quality Control
Monitoring of Aggregate Materials
used in Highway Construction”

Date: November 10, 2022

From: Jack D. Jernigan, Ph.D.
Acting Director, Office of Corporate
Research, Technology, and Innovation
Management

David Kuehn, Acting Director

In Reply, Refer To:
HRTM-10

To: See Addressees

The purpose of this memorandum is to inform you that all activities on project TPF-5(364), “Utilization of Laser-Induced Breakdown Spectroscopy (LIBS) for Real-Time Testing and Quality Control Monitoring of Aggregate Materials used in Highway Construction” have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Home>).

The lead agency, the Kansas Department of Transportation should submit a Federal Highway Administration (FHWA) Transfer Request (Form FHWA 1575-C) through the FHWA Office of the Chief Financial Officer to return any remaining funding to each partner. The exact amount of funding that is to be returned, if any, to each partner can be found in the attached spreadsheet under the UDO Un-Expended Funds to be Returned to Partners column.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, David Behzadpour with Kansas DOT. David Behzadpour can be reached via telephone at (785) 291-3847 or via email at david.behzadpour@ks.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Tricia Sergeson via telephone at (202) 493-3166 or via email at patricia.sergeson@dot.gov if you have questions or need further assistance.
