The purpose of this memorandum is to inform you that all activities on project TPF-5(351), “Self De-Icing LED Signals” have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Home>).

The lead agency, the Kansas Department of Transportation should submit a Federal Highway Administration (FHWA) Transfer Request (Form FHWA 1575-C) through the FHWA Office of the Chief Financial Officer to return any remaining funding to each partner. The exact amount of funding that is to be returned, if any, to each partner can be found in the attached spreadsheet under the UDO Un-Expended Funds to be Returned to Partners column.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, David Behzadpour with Kansas DOT. David Behzadpour can be reached via telephone at (785) 291-3847 or via email at [david.behzadpour@ks.gov](mailto:david.behzadpour@ks.gov).

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Tricia Sergeson via telephone at (202) 493-3166 or via email at [patricia.sergeson@dot.gov](mailto:patricia.sergeson@dot.gov) if you have questions or need further assistance.
