Description of Work Performed and Progress: The Transportation Pooled Fund study called the Statewide Mobility Assessment Study Phase I is just beginning. The partnering states have agreed on project scope and a research from the University of Washington, Anne Vernez-Moudon, has been selected as the contractor. We are in the process of completing the proposal to get her under contract. We are also seeking matching support from TransNow to improve the quality and extent of the data needed to understand current mode split in school based travel. Current Members of this TPF Study are: Washington, Texas and Florida. Other states are encouraged to join.
