FHWA is the lead agency for the National Pooled Fund Study TPF-5(101), "Evaluations and Applications of Mechanistic Performance Prediction Modeling." FHWA accepts the role of lead agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

The participating States are requested to submit their funding transfer request form for this project with a copy of this letter to their respective FHWA Division Office for concurrence.

Please contact Katherine Petros at (202) 493-3154 if you have any questions.
