FHWA is the lead agency for the National Pooled Fund Study TPF-5(150), "Extending the Season for Concrete Construction and Repair, Phase III". FHWA accepts the role of lead agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

The participating States are requested to submit their funding transfer request form for this project with a copy of this letter to their respective FHWA Division Office for concurrence.

Please contact Fred Faridazar at (202) 493-3076 if you have any questions.
