This memorandum is in response to the March 20, 2023, email from Jean Landolt, who is the Lead Agency Contact for TPF project solicitation number 1593 “TRB Core Program Services for a Highway RD&T Program – Federal Fiscal Year 2023/TRB (State DOTs) Fiscal Year 2024.” On behalf of State DOT partners, Jean requested a waiver of the non-Federal funding match for State DOTs utilizing State Planning and Research, Subpart B (SPR-B) funds.

The study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.
