This memorandum is in response to the July 10, 2023, email from Paul Ziman of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number #1599, “Western Transportation Research Consortium”. We understand that the Utah Department of Transportation will be the lead agency for this project and David Stevens will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Zane Pulver, Management and Program Analyst, will be the Federal Highway Administration’s technical liaison for this study. Zane Pulver can be reached via telephone at (801) 946-6331 or via email at zane.pulver.ctr@dot.gov.

You may contact Tricia Sergeson at (202) 493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
