This memorandum is in response to the March 27, 2023, email from Tymli Frierson of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research Subpart B (SPR-B) funds for TPF project solicitation number #1592, “Work Zone Analytics”. We understand that the Indiana Department of Transportation will be the lead agency for this project and Tommy Nantung will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Jawad Paracha, Program Manager, will be the Federal Highway Administration’s technical liaison for this study. Mr. Paracha can be reached via telephone at (202) 366-4628 or via email at jawad.paracha@dot.gov.

You may contact Tricia Sergeson at (202)493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
