TPF Program Manager, Office of Corporate
Research, Technology, and Innovation Management
McLean, VA 22101

To: Wendall Meyer
Division Administrator
St. Paul, MN 55101

This memorandum is in response to the July 24, 2023, email from Joseph Campbell of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number #1581, “National Partnership to Improve the Quality of Preventive Maintenance Treatment Construction & Data Collection Practices (PG Phase III)”. We understand that the Minnesota Department of Transportation will be the lead agency for this project and Joel Ulring will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Deborah Walker, Senior Research Engineer and Jason Dietz, Pavement and Materials Engineer will be the Federal Highway Administration’s technical liaisons for this study. Ms. Walker can be reached at (202) 493-3068 or via email at deborah.walker@dot.gov and Mr. Dietz can be reached at (720) 810-0871 or via email at jason.dietz@dot.gov.

You may contact Tricia Sergeson at (202) 493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
