Subject: TPF-5(536) Ahead of the Curve – Migration from NCHRP to AASHTO Technical Training Solutions (TTS) Acceptance Letter

Dear Ms. Phillips,

The Louisiana Department of Transportation and Development (DOTD) through the Louisiana Transportation Research Center (LTRC) is the lead agency for the Ahead of the Curve – Migration from NCHRP to AASHTO Technical Training Solutions, TPF-5(536). DOTD accepts this role of Lead Agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

Participating states are requested to submit a copy of this letter with their funding transfer requests through FHWA's Fiscal Management Information System (FMIS). Please notify Tyson Rupnow (Tyson.Rupnow@la.gov) and Samuel Cooper, Jr. (Samuel.Cooper@la.gov) when the funding transfer is complete.

For organizations that wish to contribute non-federal funds to the pooled fund study, please contact me for further instructions.

Please contact me if you have any further questions.

Sincerely,

A handwritten signature in blue ink, which appears to read "Samuel Cooper, Jr.", is written over a light blue horizontal line.
