This memorandum is in response to the June 6, 2024, email from Chris Cromwell of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1616, “Recycled Materials Resource Center-5<sup>th</sup> Generation” We understand that the Iowa Department of Transportation will be the lead agency for this project and Khyle Clute will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.

Mr. Jason Dietz, Pavements and Materials Engineer, will be the Federal Highway Administration’s technical liaison for this study. Mr. Dietz can be reached via telephone at (720) 810-0871 or via email at [jason.dietz@dot.gov](mailto:jason.dietz@dot.gov).
