This memorandum is in response to the June 6, 2024, email from Chris Cromwell of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1617, “Aurora Program (FY25-FY29).” We understand that the Iowa Department of Transportation will be the lead agency for this project and Khyle Clute will be the lead agency contact.

The proposed study meets the criteria for the use of SPR-B funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Jeremy McGuffey, Road Weather Management Program Manager, will be the Federal Highway Administration’s technical liaison for this study. Mr. McGuffey can be reached via email at jeremy.mcguffey@dot.gov.

You may contact Tricia Sergeson at (202)493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
