This memorandum is in response to the 7/1/2024 email from Stephanie Brandenberger of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1621, “Traffic Safety Culture Phase 3.” We understand that the Montana Department of Transportation will be the lead agency for this project and Rebecca Ridenour will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Chimai Ngo, Transportation Specialist, will be the Federal Highway Administration’s technical liaison for this study. Ms. Ngo can be reached via telephone at (202) 366-1231 or via email atchimai.ngo@dot.gov.

You may contact Tricia Sergeson at (202)493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
