This memorandum is in response to the July 26 email from Will Keenan of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1623, “No Boundaries Transportation Maintenance Innovations: Phase IV.” We understand that the Colorado Department of Transportation will be the lead agency for this project and David Reeves will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.

Antonio Nieves, Maintenance Program Manager, will be the Federal Highway Administration’s technical liaison for this study. Mr. Nieves can be reached via telephone at (202) 897-5638 or via email at [antonio.nieves@dot.gov](mailto:antonio.nieves@dot.gov).

You may contact Tricia Sergeson at (202)493-3166 or [patricia.sergeson@dot.gov](mailto:patricia.sergeson@dot.gov) if you have questions or need further assistance.
