To: Clayton Chen
Acting Office Director
Office of Safety and Operations R&D
McLean, VA 22101

This memorandum is in response to the September 10, 2024 email from Jon Obenberger of your staff, who is the Lead Agency Contact for the TPF solicitation number 1624, “Innovative Traffic Management Methods.” On behalf of State DOT partners, Mr. Obenberger requested a waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation.

The study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

You may contact Tricia Sergeson at (202)493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
