

TPF-5(064)

Quarterly Report:

Date: 7/3/09

Over the last three months, the WAQTC has been working on the following:

- Ongoing materials and construction process improvements
- Preparations for meeting in Anchorage prior to the AASHTO SOM
- Preparations for the QAC meeting
- Evaluation of technician testing improvements. UDOT has implemented more comprehensive tests. The questions have been evaluated by the QAC. The questions will now be reviewed by the University of Alaska.
