From: Linda Taylor, Director of Research Services Section  
Minnesota Department of Transportation

Subject: State Lead Acceptance Memo

Re: TPF-5(153) Optimal Timing of Preventive Maintenance for Addressing Environmental Aging in HMA Pavements (MnROAD Study)

The Minnesota Department of Transportation accepts the role of the lead agency and agrees to receive, obligate, expend and manage contributions from participating agencies. Your agency committed funds to this study. Please transfer your funds at this time and for accounting purposes indicate:

- the year of the commitment you will be transferring
- the amount for each year and
- program code for each year.

Send a copy of this memo with the funding transfer request form for this project to your state FHWA Division Office for concurrence. Please include the commitment year of your funds in the 'Project Description' box on the transfer request form. To ensure that our office has accurate financial records, **please copy Deb Fick** on documents that you forward to your FHWA Division office.

In you have any questions, please do contact Deb Fick at 651.366.3759 or [deb.fick@dot.state.mn.us](mailto:deb.fick@dot.state.mn.us).
