This memorandum is in response to your February 17, 2025 memorandum, for the TPF Solicitation Number 1634, “*Traffic Control Device (TCD) Consortium (4)*.” On behalf of State DOT partners, Laura Mero, who serves as the lead agency contact, requested a waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation.

The study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

You may contact Lotse Townsend at (360)619-7882 or lotse.townsend@dot.gov if you have questions or need further assistance.
