The purpose of this memorandum is to inform you that all activities on project TPF-5(454), *“Updating U.S. Precipitation Frequency Estimates for the Northwest”* have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Home>).

The lead agency, FHWA, has confirmed no UDO funds will be returned. Further details can be found on the attached closeout funding spreadsheet.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, Megan Frye with FHWA. Megan Frye can be reached via telephone at (303) 396-9847 or via email at megan.frye@dot.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Lotse Townsend via telephone at (360) 619-7882 or via email at lotse.townsend@dot.gov if you have questions or need further assistance.
