This memorandum is in response to the email sent on January 22, 2025, by David Painter of your staff, requesting the waiver of the non-Federal funding match for State Planning Research funds for TPF Solicitation Number 1615, “*Vehicle to Everything (V2X) Pooled Fund Study*.” We understand that the Georgia Department of Transportation will be the lead agency for this project and Sephara Raymond will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.
