This memorandum is in response to the 7/16/2025 email from Shontrill Lowe of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research funds for TPF project solicitation number 1642, “Consortium for Asphalt Pavement Research and Implementation 2 (CAPRI-2).” We understand that the Alabama Department of Transportation will be the lead agency for this project and Ms. Kidada Dixon will be the lead agency contact.

The proposed study meets the criteria for use of SPR funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.

Mr. Aaron Leavitt, Asphalt Materials Research Engineer, will be the Federal Highway Administration’s technical liaison for this study. Mr. Leavitt can be reached via telephone at (202) 493-3187 or via email at [aaron.leavitt@dot.gov](mailto:aaron.leavitt@dot.gov).

You may contact Tricia Sergeson at (202)493-3166 or [patricia.sergeson@dot.gov](mailto:patricia.sergeson@dot.gov) if you have questions or need further assistance.
