

**TRANSPORTATION POOLED FUND PROGRAM
QUARTERLY PROGRESS REPORT**
for
National Road Research Alliance (NRRRA)
Phase – 1 (2016-2021)
Phase – 2 (2021-2026)
Phase – 3 (2026 starting)

Lead Agency: Minnesota Department of Transportation

Transportation Pooled Fund Program Project # TPF-5(341) http://www.pooledfund.org/Details/Study/590 TPF-5(466) https://pooledfund.org/Details/Study/693 Phase-3 expected to start in February 2026		Report Period: 2025 - Quarter 4 (October 1 – December 31, 2025)
Project Title: National Road Research Alliance – NRRRA http://www.dot.state.mn.us/mnroad/nrra/index.html NRRRA quarterly reports for Phase-I and Phase-II are being combined because of existing projects in phase-I that are still ongoing and still pertain to the NRRRA efforts that are being done in phase-II. Both websites will be updated with the same quarterly report. Individual budgets are attached to this quarterly report for both efforts. Phase-3 is also under development expected to start in February 2026.		
Project Manager(s): Ben Worel (MnDOT) Tom Yu (FHWA)	Phone Number:	E-Mail Ben.worel@state.mn.us Tom.yu@dot.gov
Lead Agency Project ID: None	Other Project ID (i.e., contract #): None	Project Start Date: Phase 1 - February 22, 2016 Phase 2 – February 22, 2021 Phase 3 – expected in Feb 2026
Original Project End Date: Phase 1 - September 30, 2018 Phase 2 – February 22, 2026	Current Project End Date: Phase 1 – February 22, 2021 Phase 2 – February 22, 2026	Number of Extensions: Phase 1 - NRRRA Executive Committee extended till 2021) Phase 2 - NA

Project schedule status → On schedule

Phase – 1 TPF-5(341) Overall Project Statistics:

Total Project Budget	Total Costs obligated to Date for Project	Percentage of Time and Funding Completed to Date
\$5,000,000	SPR Funds Budgeted = \$4,957,083 (99%) Invoices Paid = \$4,863,708 (97%) Remaining not spent = \$93,375 Funds Not Encumbered = \$42,917 Possible Dollars Remaining = \$136,292	Complete as of Feb 22, 2021 All contracts are complete Phase-I close-out can start

Phase – 2 TPF-5(466) Overall Project Statistics:

Total Project Budget	Total Costs obligated to Date for Project	Percentage of Time and Funding Completed to Date
\$7,712,856 (SPR expected) \$7,712,856 (SPR to be received) \$8,559,019 (SPR+Veta+MnDOT Totals)	Funds Executive Committee Budgeted = \$8,994,989 Dollars paid out = \$5,024,251 (65%) Funds Remaining to spend = (-235,970) (Funding will come in Phase-3 to make up funds for states funding #2 or #3 in FY2026)	Time = 57/60 months (95%)

Project Description:

This pooled fund phase-II is open for new states and they can join at any time. This pooled fund will help direct and complement the use of the MnROAD test track for local, regional and national research, tech transfer and implementation. Road owner agencies will provide input and participate in the decision making needed for future MnROAD construction and research scheduled in 2017 (Phase-I) and in 2022 (Phase-2). In Phase-I MnDOT and Missouri have funded construction in both states while Phase-2 MnDOT, Missouri, Wisconsin will fund 2022-2023 construction of test sections. MnROAD will continue to support common goals. Industry and academia will also play an important role in providing critical input on long-term future trends in research and barriers to implementation, including working with their customers and members who play a direct role in implementation.

Progress this Quarter (includes meetings, work plan status, contract status, significant progress, etc.):

To date 14 government agencies and over fifty-five (85+) industry, associations, consultants, and academic institutions have become NRRRA members to share their expertise and are learning about new tools and methods to improve and expand upon transportation systems nationally.

SPR Tracking – Note MnDOT working to improve its financial reports. Not able to get meaningful reports in January and waited till 3/15/2026 to get more acceptable reports to produce this quarterly report. Working on this.

Membership

- Idaho joined NRRRA in 2024 / Montana and Nebraska joined NRRRA in 2022.
- ~85+ NRRRA associates participating.

Phase-I Projects

- Tech Transfer - 100% of the 13/13 projects complete.
- 2017 Long Term Research – 100% of the 8/8 projects complete.
- 2019 Long Term Research – 100% of the 11/11 projects complete.
- 2019 Call for Innovation Research – 100% of the 6/6 projects complete.
- 2020 Call for Innovation Research – 100% of the 7/7 projects complete.
- Looking to start the close out process for NRRRA#1 in 2025.

Phase-2 Projects

- 2021 Long Term Research
 - 14% of the 2/14 projects completed.
 - Missouri contract for reflective cracking contract to be developed next quarter
 - 2 RFP are being contracted – perpetual pavements and recycled binder availability.
- 2023 Call for Innovation
 - 0% of the 0/16 projects completed.
- 2024 Contracting
 - 0% of the 0/2 projects completed.
- 2025 Contracting
 - Holding contracts till phase-3 starts in Jan 2026 (expected date)
 - Note 4 amendments also being processed / veta and 3 low carbon concrete projects)

General

- NRRRA Technical Teams have met every month again this quarter which also acts as TAP meetings for each team's short and long-term research efforts.
- See the NRRRA website for details on all the teams' updated activities.
- Monthly Research pays off webinars have been completed and a plan for 2025 topics are developed.
- NRRRA budget for Phase-I and Phase-II are attached at the end of this report.
- NRRRA met in October and developed the framework for NRRRA#3 / Budget

Anticipated work next quarter:

The following is expected to be completed for next quarter.

- Finalize Phase-1 Pooled Fund Close Out
- Finalize Phase-2 Pooled Fund with MnDOT finance.
- Prepare for Phase-3 Start - Contracts developed for phase-2 / 3 will then start
- Continued work on Phase-2 pooled fund efforts and reporting progress in the team meetings.
- Working on collecting member input for the NRRRA benefits document.
- MnDOT will provide updates to their financial system showing a more accurate tracking of NRRRA phase-2. Phase-2 shortfall will be funding with NRRRA#3 funding and closeouts.

Significant Results:

Currently this pooled fund is working well for all the members. We have shared resources and technology with each other related to intelligent construction and sustainability and have discuss a number of topics in the technical teams. More formal documentation will start to be developed as the contracts are awarded and this work begins.

- NRRRA includes 15 government members and at 85+ associate members. New agencies/associates are always welcome to join at any time during this phase.
- Many technologies transfer and long-term research needs are completed or under contract. The progress/final products are shown on the NRRRA website.
- NRRRA members are asked to continue to brainstorm how as a group we can push implementation noting that NRRRA has funding to help with this as needed in the form of contracts or travel.

Attachment A (Income Summary)

- Contains the NRRRA income summary.

Attachment B (Financial Summary)

- Contains the funding summary along with the research progress by invoices. More detail is listed under the NRRRA team member's webpages.

Potential Implementation:

See the NRRRA team pages for implementation topics that are being developed – TAP members of each of the contracts and teams will be asked to help the development of implementation for the technology transfer team to push with its members. This is a focus area that is probably the hardest part of successful research. The technology transfer team will be focused on this topic in the upcoming months.

Totals =						\$ 4,957,263	\$ 4,963,078	100.1%

Attachment – B (NRRRA Phase-2 Financial Summary and Project Invoicing) – 3/15/2026 financial Report

NRRRA Phase-2						
TPF-5(466) National Road Research Alliance - NRRRA Pooled fund						
For 2025 - quarter 1 report - updated 4/20/2025						
NRRRA Funding		SPR Funding	SPR Dollars	SPR Received	Percent	Comment
		SPR - Pooled Funds (Received from Agencies) =	\$ 7,984,019	\$ 7,787,856	98%	
		Non-SPR (MnDOT money for Veta)=	\$ 650,000			
		Total NRRRA Funding (SPR and MnDOT) =	\$ 8,634,019	Percent	Remaining	
NRRRA Spending		NRRRA Contracts/Projects =	\$ 8,618,068	99.82%	\$ 15,951	
MnDOT		Contracts Invoiced (Paid out) =	\$ 5,793,772	73%		
Contributions		MnDOT Construction Funding =	\$ 6,000,000			
		NRRRA Associate funding (used for NRRRA needs)	Used for NRRRA efforts --> MnDOT documented dollars			
SPR Dollars Budget/Spending						
NRRRA Focus	Project# Contract#	General Outcome / Deliverable	Vendors	EC Team Approved	Payments Invoiced	Payment Percent
Travel	TPF15466A	Original Agency travel / meals / meeting room costs	MnDOT Coordination	50,000	151,000	83%
		2024 International PCC Minnesota Conf		6,500		
		2024 ICT Florida Conference		50,000		
		Additional line item dollars for 2025 75K plus		75,000		
Sensors	TPF15466B	MnROAD Sensors, Equipment, Shipping for 2022 studies (350K) plus 220K funding for 2024 sensors and dynamic upgrades	MnDOT Purchase Orders	582,893	582,893	100%
MnROAD Labor	TPF15466C	MnROAD Staff - Labor for sensors and monitoring (5 years) (Utilize 2024-2025 Illinois Tollway \$150K + \$650K NRRRA)	MnDOT	829,711	829,711	100%
