The purpose of this memorandum is to inform you that all activities on project TPF-5(436), “Development of Criteria to Assess the Effects of Pack-out Corrosion in Built-up Steel Members” have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Details/Study/659>).

The lead agency, Indiana Department of Transportation (InDOT) has confirmed there are no un-expended funds remaining to be returned to partners. Further details can be found on the attached closeout funding spreadsheet.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, Tommy Nantung with InDOT. Mr. Nantung can be reached via telephone at (765) 463-1521, extension 248, or via email at tnantung@indot.in.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Tricia Sergeson via telephone at (202) 493-3166 or via email at patricia.sergeson@dot.gov if you have questions or need further assistance.
