<i>Objective</i> The purpose of the WPPP is to provide a partnering forum for promoting effective pavement preservation strategies through the following objectives: (1) provide funds for a multi-day annual workshop for discussion and exchange of information and knowledge about each state's pavement preservation program, (2) provide a means to define, support and share technology of mutual interest, (3) provide funds for formal training presentations during the annual workshop, and (4) provide funds for special studies, investigations, research and training.				

Project Progress:

Members of the WPPP attended the First International Conference on Pavement Preservation in Newport Beach, CA on April 13-15, 2010.

New Period Proposed Activity:

Discussion pertaining to the future of the WPPP and whether or not it will disband and members can become a part of the National PPP (if not already) will occur.
