

Transportation Pooled Fund Program

Project Title: The Impact of Wide-Base Tires on Pavement Damage: A National Study		
Project Manager and Phone Number: Eric Weaver 202-493-3153	Project No: TPF-5(197)	Project is: <input type="checkbox"/> PLANNING <input checked="" type="checkbox"/> R&D
Reporting Period: April-June 2010	Multi Year Project 2010 – 2013	
Description of Work Performed and Progress:		
<p>OK DOT joined the pooled fund study with commitments through 2013</p> <p>A meeting was held with Keith Brewer of the Rubber Manufacturers Association (RMA) to discuss the project background, objectives, implications and potential RMA involvement. Keith indicated he would discuss this with his RMA associates and provide feedback in that regard.</p> <p>The solicitation for the project is currently under review within the acquisition office of FHWA and is expected to be advertised early in the 4th quarter of 2010. This lengthy review process has put the award date behind schedule.</p>
