Report:

The AASHTO Technical Committee on Hydrology and Hydraulics (TCHH) received an additional \$100,000 from NCHRP to complete the Drainage Manual update and publication. NCHRP is now managing the manual update project. All funds collected from the pooled funds were transferred to NCHRP. NCHRP finalized the contract with the Jorgensen Associates. Jorgensen Associates will complete the manual update according to AASHTO TCHH instructions and prepare for publication in the next 18 months.
