MEMORANDUM

Date: 1 April 2009

From: Michael Fazio, PE
Deputy Director of Research
Utah Department of Transportation

To: Steve Call
Program Development Team Leader
FHWA – Utah Division

RE: Pool Fund Project TPF-5(203), "Non-Destructive and Destructive Investigation of Aged In The Field Carbon FRP-wrapped Columns"

The Utah Department of Transportation (UDOT) accepts the responsibility to lead the Pool Fund Project No. TPF-5(203), "Non-Destructive and Destructive Investigation of Aged In The Field Carbon FRP-wrapped Columns". As a lead state, UDOT will manage the project's contributions and related expenses. All monetary transactions will be documented and conducted according to UDOT procedures, State and Federal laws. UDOT will provide regular (or as needed) financial and project progress reports to the participating states.

Participant states are required to submit a copy of this memo with their funding transfer request form to their respective FHWA Division Office for concurrence.

Please contact Michael Fazio at 801-957-8595 or mfazio@utah.gov for any project's related questions.
