All activities have been completed on the Pooled Fund Study SPR-3(085), "Accelerated Loading Pavement Study." In addition, all financial records have been reconciled for the project. No funds will be released for this project, as they were completely expended. Attached, please find a spreadsheet detailing the monetary history related to the project. Please notify the lead State, Alabama Department of Transportation, that the project file is now closed.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the Transportation Pooled Fund Program. You may contact Lisa Williams, Office of Corporate Research, Technology, and Innovation Management (HRTM-2), at (202) 493-3375 if you have any questions.
