The purpose of this memo is to inform you that all of the activities on pooled fund project TPF-5(120), “Investigation of Low Temperature Cracking in Asphalt Pavements - Phase II (MnROAD Study)” have been completed and its financial records reconciled. **The project is now officially closed.**

**Please notify your State DOT of this action, as the agency was a partner of the pooled fund project.** Project partners may deobligate the remaining funds that were contributed by their State DOT, in the Fiscal Management Information System and close the financial record. The exact amount of funding that may be deobligated by each State DOT can be found in the “UDO” column of the attached spreadsheet.

Should you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact Bill F. Ostrum in the Office of Project Development and Environmental Review. Mr. Ostrum can be reached at 202-366-4651 or via e-mail: [william.f.ostrum@dot.gov](mailto:william.f.ostrum@dot.gov).

I appreciate your contribution to advancing transportation technology through this research project and your participation in the Transportation Pooled Fund Program. You may contact Sharon Smith Clark at (202)-493-3166 or Jack Jernigan at (202) 493-3363, Office of Corporate Research, Technology, and Innovation Management (HRTM-10), if you have any questions.
