The purpose of this memo is to inform you that all of the activities on pooled fund project TPF-5(113), “Load Rating of Reinforced Concrete Bridges by Load Tests”. Have been completed and its financial records reconciled. **The project is now officially closed.**

Please be advised that a transfer form, FHWA-1575, should be submitted by the lead state through the FHWA CFOs Office to return any remaining balance of the funding contributions to each partner. The exact amount of funding that is to be returned to each partner, if any, can be found under the “UDO” column of the attached spreadsheet.

Should you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact Frank Jalinoos Federal Highway Administration (FHWA) Office of Infrastructure R&D. Mr. Jalinoos can be reached at (202) 493-3082 or via e-mail: Frank.Jalinoos@dot.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the Transportation Pooled Fund Program. You may contact David Pamplin at (202) 493-3166, Office of Corporate Research, Technology, and Innovation Management (HRTM-10), if you have any questions.
