The FHWA accepts the role of lead Agency and agrees to receive, obligate, expand, and manage contributions from participating agencies.

Participating States are asked to submit their funding transfer request form (Form FHWA-1576), along with a copy of this memorandum, to their respective FHWA Division Office for concurrence. The Form FHWA 1576 is available on the homepage of the TPF website (www.pooledfund.org). Additionally, participating States should ask that funds be directed to the FHWA office code: HPL-1. The Financial Manager of this Pooled Fund Study is: Terri Gordon, E83-306 and the BPAC number is 030.

Non-Federal contributors to TPF-5(314) can be made via Pay.gov, which is a system provided by the U.S. Department of Treasury, to make secure electronic payments to Federal Government Agencies. To contribute non-Federal funds to an FHWA led study, the contributing organization or State Department of Transportation may do so by following the following steps:

2. See the section “Find Public Forms” on the left side of the screen.
In the box entitled “Search Public Forms” type the word “FHWA Pooled Funds” and press enter.
