RE: Wildlife Vehicle Collision Reduction and Habitat Connectivity

Dear Ms. Leach:

The Nevada Department of Transportation is the lead state for the pooled fund study TPF-5(358) "Wildlife Vehicle Collision Reduction and Habitat Connectivity."

The Nevada Department of Transportation accepts the role of lead state and agrees to receive, obligate, expend, and manage contributions from participating agencies.

The participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective FHWA Division Office for concurrence.

Please contact me at (775)-888-7220 or via email at kchambers@dot.nv.gov for any further information.

Sincerely,

A handwritten signature in blue ink that reads "Ken Chambers".

Ken Chambers
Research Chief
