RE: Performance Engineered Concrete Paving Mixtures

Dear Ms. Bobo:

The Iowa Department of Transportation is the lead state for the pooled fund study TPF-5(368) "Performance Engineered Concrete Paving Mixtures."

The Iowa Department of Transportation accepts the role of lead agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

Participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective FHWA Division Office for concurrence.

Sincerely,

Brian Worrel, P.E.
SPR Research Engineer
Iowa Department of Transportation
