<i>Objective</i> <b>Develop specifications for chemicals related to snow and ice control. Support winter maintenance professionals with information on current technologies, supplier contacts and networking opportunities.</b>				

Progress in the current Quarter:

The fall meeting was held on November 13<sup>th</sup> and 14<sup>th</sup> in Couer d'Alene, ID.

WSDOT has received funding for a project, "Determine the Longevity and Cost-Effectiveness of Corrosion Inhibitors added to Liquid and Solid Deicing Chemicals," which they hope to conduct through the PNS and attract partners. Preliminary discussions have started regarding this project.

Summary of Activities Expected to be Performed Next Quarter:

The next meeting will be held in the summer of 2008.

Continue to evaluate and update Qualified Product List and additions of new products as they are submitted.
