The purpose of this memorandum is to inform you that all activities on project TPF-5(029) “High Occupancy Vehicle (HOV) / Managed Use Lane (MUL)” have been completed and the project has been closed on the TPF website. Please notify your State Department of Transportation (DOT) of this action, as the agency was a partner in the TPF project. Using the Fiscal Management Information System (FMIS), project partners may de-obligate any remaining funds that were contributed by their State DOT, that were not transferred to the Lead State, and close the project in FMIS.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the Lead Agency Contact, Gregory Jones, at the Federal Highway Administration. Mr. Jones can be reached (404) 562-3906 or via e-mail at gregm.jones@dot.gov. You may also contact Morten Sorensen, Director of Finance, Office of the Chief Financial Officer (OCFO), Federal Highway Administration. Mr. Sorensen can be reached at (202) 366-2887 or via e-mail at Morten.Sorensen@dot.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. Please contact David Pamplin, TPF Program Manager, via telephone at (202) 493-3166 or email at David.Pamplin@dot.gov if you have any questions.
