Administration**

Memorandum

6300 Georgetown Pike
McLean, VA 22101

Subject: **INFORMATION:** Pooled Fund Solicitation
#1498 “Behavior of Reinforced and
Unreinforced Lightweight Cellular Concrete for
Retaining Walls”

Date: **MAY 17 2019**

From: Hari Kalla 
Associate Administrator for Research,
Development, and Technology

In Reply Refer To:
HRTM-10

To: Ivan Marrero
Division Administrator (HDA-UT)
Salt Lake City, UT

This memorandum is in response to the May 8, 2019 email request from John Haynes of your staff, requesting a waiver of the non-Federal funding match for State Planning and Research–Subpart B (SP&R–Subpart B) funds for pooled fund solicitation #1498 “Behavior of Reinforced and Unreinforced Lightweight Cellular Concrete for Retaining Walls.” We understand that the Utah Department of Transportation will be the lead agency for this project.

The proposed study meets the criteria for use of SP&R–Subpart B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the Transportation Pooled Fund website, www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

It is important to remember that the lead agency contact is required to report on the status of the pooled fund study on a timely basis. The contact should indicate when a contract is signed, and electronic copies of the quarterly and final reports and other relevant study documents should be posted on the website. By doing so, the lead agency will be fulfilling its obligation to provide information to its partners on the status of the project.

Jennifer Nicks, Geotechnical Research Engineer, in the Office of Infrastructure R&D, will be the Federal Highway Administration’s Technical Liaison for this study. Ms. Nicks can be reached via telephone at 202 493-3075 or email at jennifer.nicks@dot.gov. We hope that Ms. Nicks will have the opportunity to participate in the study activities as a technical resource to the project.

You may contact David Pamplin, Transportation Pooled Fund Manager, via telephone at (202) 493-3166 or email at david.pamplin@dot.gov if you have questions or need further assistance.
