Subject: TPF-5(444) Partnership for the Transformation of Traffic Safety Culture: Phase 2 Acceptance Letter

Dear Bob,

The Montana Department of Transportation (MDT) is the lead agency for the Transportation Pooled Fund Study, TPF-5(444), Partnership for the Transformation of Traffic Safety Culture: Phase 2. MDT accepts this role of Lead Agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

Participating states are requested to submit a copy of this letter with their funding transfer requests (Form FHWA-1575) for this project to their respective FHWA Division Office for concurrence. The Form FHWA 1575 is available on the homepage of the TPF website ([www.pooledfund.org](http://www.pooledfund.org)). In order to facilitate communication, please add the following text to the box labeled "Enter Item #, Pooled Fund Project Number, and Description, or any additional information": Please notify Sue Sillick ([ssillick@mt.gov](mailto:ssillick@mt.gov)) when the funding transfer is complete.

For organizations who want to contribute non-federal funds to the pooled fund study, please contact me for further instructions.

Please contact me if you have any questions.

Sincerely,

Susan C. Sillick  
Research Programs Manager
