The Federal Highway Administration (FHWA) is the lead Agency for the Transportation Pooled Fund Study TPF-5(475) "Update Precipitation Frequency Estimates For Delaware, Maryland, North Carolina and Virginia (NOAA Atlas 14 Volume 13)". The FHWA Resource Center accepts the role of lead Agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

Participating States and agencies will be asked to submit their funding transfer requests using Form FHWA-1575-C from the TPF Website (www.pooledfund.org), along with a copy of this memorandum, to their respective FHWA Division Office for concurrence. When completing Form 1575-C, FHWA Transfer Request, the column on the right-hand side entitled "Description of Entity to", please type in "FHWA Office of Technical Services, OTS-RC-1, BPAC-300" Pooled Fund Project # TPF-5(475).

We will also inform participating States and agencies that non-federal contributions to the subject study can be made via pay.gov and refer them to review Chapter 11 of the TPF Program Procedures Manual (updated February 2017) available on the TPF Website.

The lead agency coordinator for this pooled fund study, Cynthia Nurmi, can be contacted at (404) 895-0996 or cynthia.nurmi@dot.gov.
