This memorandum is in response to the April 7, 2023, email from Charles Fay of your staff, who is the Lead Agency Contact for the TPF solicitation number 1595, “Evaluations of Low-Cost Safety Improvements Pooled Fund Study (ELCSI-PFS)”. On behalf of State DOT partners, Mr. Fay requested a waiver of the non-Federal funding match for State Planning and Research-Subpart B (SP&R-Subpart B) funds for TPF project solicitation.

The study meets the criteria for use of SP&R-Subpart B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.
