The purpose of this memorandum is to inform you that all activities on project TPF-5(283), “The Influence of Vehicular Live Loads on Bridge Performance (modified 7/2013)” have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Home>).

The lead agency has confirmed there are no un-expended funds remaining to be returned to partners. Further details can be found on the attached closeout funding spreadsheet.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, Thomas Saad with FHWA. Thomas Saad can be reached via telephone at (708) 283-3521 or via email at thomas.saad@dot.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Tricia Sergeson via telephone at (202) 493-3166 or via email at patricia.sergeson@dot.gov if you have questions or need further assistance.
