

Pooled Fund Quarterly Report

TPF-5(145), Western Maintenance Partnership

The Western Maintenance Partnership supported the 2009 WASHTO-COM Meeting, held in Scottsdale, Arizona from March 8 through 11, 2009.

The conference was well attended, thanks to the pooled fund contribution, covered many topics of interest to the Maintenance Directors of the participant DOTs.

Attached is a meeting agenda and proceedings.

The partnership is operating within their budget and won't be seeking additional contributions at this time.

For more information please contact Rich Clarke, UDOT Maintenance Director:
