Dear Mr. Zacagnino:

I am writing this letter in reference to the regional pooled fund study *Use of Reclaimed Asphalt Pavement under Superpave Specifications* (SPR-3(045)). As the principal investigator, I can assure you that the North Central Superpave Center has been paid in full by the Indiana Department of Transportation (INDOT) for all costs associated with the project. All of the required reports have been submitted to INDOT and the other participating states, and all obligations under this project have been fulfilled. INDOT requests that this project now be closed, and I concur.

If you have any questions or if I can provide any additional information, please feel free to contact me at 765/463-2317, ext. 226, or [rsmcdani@purdue.edu](mailto:rsmcdani@purdue.edu).

Sincerely,

A handwritten signature in cursive script that reads "Rebecca S. McDaniel".
