Good Afternoon David and Masha,

The Arizona Department of Transportation (ADOT) is the lead agency for Transportation Pooled Fund (TPF) Solicitation 1409, *I-10 Western Connected Freight Corridor Project* (<http://www.pooledfund.org/details/solicitation/1409>). Please find a September 4, 2015 request from the Arizona Department of Transportation to waive the typical 20 percent SP&R match attached. The FHWA Arizona Division office is in support of the Arizona Department of Transportation's request.

Thank you for your consideration of this matter. Please feel free to contact with me with any questions you may have.
