The purpose of this memo is to inform you that all of the activities on pooled fund project TPF-5(257) “Evaluation of Spliced Sleeve Connections for Precast RC Bridge Piers”. Have been completed and its financial records reconciled. **The project is now officially closed.**

Please be advised that a **Transfer Form, FHWA-1575**, should be submitted by the Lead State’s Lead State Contact, through the FHWA CFOs Office to return any remaining balance of the funding contributions to each partner. The exact amount of funding that is to be returned to each partner, if any, can be found under the “UDO” column of the attached spreadsheet.

Should you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the Lead State Contact, David Stevens, Pooled Fund Research Manager for Utah Department of Transportation. Mr. Stevens can be reached at 801-965-4377 or via e-mail DavidStevens@utah.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the Transportation Pooled Fund Program. You may contact David Pamplin at (202) 493-3166, Office of Corporate Research, Technology, and Innovation Management (HRTM-10), if you have any questions.
