The purpose of this memo is to inform you that all the activities on pooled fund project TPF-5(217) “Ultra-High Performance Concrete Connections Between Precast Bridge Deck Elements”. Have been completed and its financial records reconciled. **The project is now officially closed.**

Please be advised that a **Transfer Form, FHWA-1576**, should be submitted by the Lead FHWA Program area’s Lead Agency Contact, through the FHWA CFOs Office, to return any remaining balance of the funding contributions to each partner. The exact amount of funding that is to be returned to each partner, if any, can be found under the “UDO” column of the attached spreadsheet.

Should you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the FHWA Lead Agency Contact, Benjamin Graybeal, Team Leader, Bridge Engineering Research for the Federal Highway Administration. Mr. Graybeal can be reached at (202) 493-3122 or via e-mail: [benjamin.graybeal@dot.gov](mailto:benjamin.graybeal@dot.gov).

I appreciate your contribution to advancing transportation technology through this research project and your participation in the Transportation Pooled Fund Program. You may contact David Pamplin at (202) 493-3166, Office of Corporate Research, Technology, and Innovation Management (HRTM-10), if you have any questions.
