The purpose of this memorandum is to inform you that all activities on project TPF-5(434), “International Conference on Ecology & Transportation (ICOET) Pooled Fund” have now been completed and the project closed on the TPF website.

To return any remaining balance of the funding contributions to each partner, the Lead Agency Contact should submit a Federal Highway Administration (FHWA) Transfer Request (Form FHWA-1575) through the FHWA Office of the Chief Financial Officer. You can find the exact amount of funding that is to be returned to each partner, if any, under the un-expended funds column on the attached spreadsheet.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the Lead Agency Contact, Paul Wagner, at the Washington State Department of Transportation. Mr. Wagner can be reached (360) 705-7406 or via e-mail at WagnerP@wsdot.wa.gov.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF Program. Please contact Jack Jernigan, via telephone at (202) 493-3363 or email at Jack.Jernigan@dot.gov if you have any questions.
